Thank you for your interest in the High School summer mission trip. This trip is open to students who have completed grades 9-12 during the 2018-2019 school year. This trip has limited space and once capacity is met, registration will be closed. As in the past, we've extended invitations to the youth from Grace Lutheran (Libertyville), St. Lawrence Episcopal (Libertyville) and Holy Trinity (Glenview). Friends are also invited to join us.

The trip will consist of cultural immersion experiences with the Lakota people, providing community meals to the people of Two Strike, work projects, and children's programming while deepening and reflecting on our own faith.

Projects to be completed and funded through our fees and fundraising include but are not limited to:

Food— four community-wide meals

Playground equipment to build a new playground

Accommodations— air mattresses needed!

Children's programming supplies

A "fun" event at the end of the week to process and reflect on our experience with the folks of Two Strike.

Bike repair kits

T-shirt

Van rentals and gas

Donations: Each summer there are donations we ask from the congregation to help us support the people of Two Strike. Watch for more information for this summer's donation project. All donations and connections are appreciated the make this trip as cost effective as possible with the greatest possible impact at Two Strike.
